Guidance Information

- 1 All evidence presented in this unit standard must be in accordance with:
 - Workplace standards and procedures or equivalent
 - Health and Safety at Work Act 2015.
- 2 Evidence for Outcome 2 may be collected from workplace situations, off-site industry visits, and/or school-based practical activities.
- 3 Definition

Control measures are a way of eliminating or minimising risks to health and safety.

Equivalent refers to training environments that align practical activities with workplace standards and procedures.

Hazard is anything that can cause harm which includes a person's behaviour.

PCBU is a person conducting a business or undertaking.

Risks arise from people being exposed to a hazard.

Worker means an individual who carries out work in any capacity for a PCBU.

Workplace procedures – the verbal or written instructions to staff on the procedures for worksite, equipment and documentation.
