### Guidance Information

- 1 All learning and assessment against this standard must be carried out in accordance with the following, as relevant:
  - relevant legislation including Health and Safety at Work Act 2015, Human Rights Act 1993, Vulnerable Children Act 2014 and Health and Safety at Work (Adventure Activities) Regulations 2016 and subsequent amendments;
  - relevant Activity Safety Guidelines published by Worksafe New Zealand;  
<https://www.supportadventure.co.nz/good-practice/activity-safety-guidelines-2/>;
  - industry Codes including the *Outdoor Safety Code*, *Kayaking/Canoeing Care Code*, *Water Care Code* and *Leave No Trace* principles available at <https://www.doc.govt.nz/>;
  - a recognised and approved safety management system including organisational policies and procedures including Emergency Action Plans (EAPs), Standard Operating Procedures (SOPs), and the use of personal protective equipment (PPE);
  - relevant industry publications and current industry good practice.
- 2 **Definition**

*Class 2 water* has easy rapids with waves up to one metre. Clear channels obvious without scouting. The ability to move your craft across the current is not necessary.

- 3 Further information regarding industry guidelines, key definitions and other relevant information can be found within the whitewater kayaking programme guidance document. This document should be consulted when developing learning or assessment against this unit standard. It can be found at [www.skillsactive.org.nz](http://www.skillsactive.org.nz).
