Purpose	People credited with this unit standard are able to: select and establish a vision team to implement the vision requirements for a production or event; manage a vision team to implement the vision requirements for a production or event; and evaluate performance of the vision team in terms of meeting vision and production process requirements for a production or event.
----------------	--

Classification	Performing Arts General > Entertainment and Event Technology and Operations
-----------------------	---

Available grade	Achieved
------------------------	----------

Guidance Information

- 1 All learning and assessment leading to this unit standard must be carried out in accordance with the following as relevant:
 - legislation including Health and Safety at Work Act 2015 and subsequent amendments;
 - current industry best practice and industry guidelines (where available) including *Safe Rigging Practices for the Entertainment Industry in New Zealand*, June 2015, and *A Guide for Safe Working Practices in the New Zealand Theatre & Entertainment Industry*, April 2018, or replacements that supersede these guidelines, are available from the Entertainment Technology New Zealand (ETNZ) website, www.etnz.org. Additional relevant guidelines are available from the WorkSafe website, www.worksafe.govt.nz.
- 2 Definitions

Organisational procedures refer to instructions on organisational policy, process and procedure that are available within the workplace, venue or site.

Production or event includes but are not limited to – events, performances, conferences, large meetings, film and television, broadcasts, livestream, concerts, stage shows, theatre, studios, dance shows, cultural performance, sporting events, music performances, competitive events, circus, festivals, trade shows, and exhibitions. May be inside or outdoors.

Vision requirements may include but are not limited to the requirements for – video, camera, cinematography, digital image capture and replay, and other types of visual media and technology.
- 3 The Entertainment and Event Technology (Level 6) programme guidance document should be consulted when developing assessments leading to this unit standard. It can be found at www.skillsactive.org.nz.
