| Title | Implement and monitor wine growing activities to achieve grape quality specifications | | |
| Level | 4 | Credits | 15 |

| | |
|----------------|--|
| Purpose | People credited with this unit standard are able to implement and monitor wine growing activities to achieve grape quality specifications. |
|----------------|--|

| | |
|-----------------------|----------------------------|
| Classification | Horticulture > Viticulture |
|-----------------------|----------------------------|

| | |
|------------------------|----------|
| Available grade | Achieved |
|------------------------|----------|

Guidance Information

- 1 Legislation relevant to this unit standard includes but is not limited to:
 - Health and Safety at Work Act 2015;
 - Resource Management Act 1991; and any subsequent amendments.
- 2 All evidence presented in this unit standard must be in accordance with workplace procedures.
- 3 Definitions

Out-of-specification performance is work or outputs in the horticulture workplace that do not meet regulatory requirements, quality standards or workplace requirements.

PPE refers to personal protective equipment.

Workplace procedures refer to policies and procedures on safety, operation, and production set down by the employer or host organisation for grapevine disorders and damage.
- 4 For assessment purposes, it is recommended that the learner provides evidence of implementing and monitoring at least four different wine growing activities.

Outcomes and performance criteria

Outcome 1

Implement wine growing activities to achieve grape quality specifications.

Performance criteria

- 1.1 Determine wine growing activities to be carried out to achieve grape quality specifications.
- 1.2 Provide instruction to team members.

- 1.3 Coordinate provision of equipment and PPE, in accordance with health and safety.
- 1.4 Supervise activities to ensure adherence to the workplace health and safety and grape quality specifications.

Outcome 2

Monitor wine growing activities to achieve grape quality specifications.

Performance criteria

- 2.1 Report wine growing activity progress in accordance with the production plan.
- 2.2 Identify out-of-specification performance as defined by the production plan.
- 2.3 Respond to out-of-specification performance in accordance with the production plan.
- 2.4 Report completion of wine growing activities.
