### Guidance Information

- 1 For assessment, it is expected that the original version of the haka wahine is used. The *original version* refers to the composer's original work; however, a variant of the original work may be acceptable where it accords with iwi, hapū, or whānau tradition. This is intended to preserve the integrity of the haka wahine and the knowledge within it.
- 2 **Assessment**  
Assessment of skills may occur within a learning situation or a public performance, and in individual or group settings. However, each candidate must demonstrate individual competence.
- 3 Iwi, hapū, or whānau tradition is incorporated in assessment against this unit standard. Iwi, hapū, or whānau tradition refers to performance features and/or styles unique to an iwi, hapū, or whānau; and may include such things as movement, body movement, posture, stance, and/or lyrics. It is expected that candidates follow the iwi, hapū, or whānau traditions of each haka wahine item used in assessment. Other iwi, hapū, or whānau variations may be explored in order to enrich and enhance understanding.

  - describing pūtake and tikanga of haka wahine in-depth;
