

Title	Install fence netting		
Level	3	Credits	8

Purpose	People credited with this unit standard are able to: run out, join, and set up fence netting; tension and terminate fence netting; and staple fence netting.
----------------	--

Classification	Agriculture > Fencing
-----------------------	-----------------------

Available grade	Achieved
------------------------	----------

Guidance Information

- 1 Legislation relevant to this unit standard includes but is not limited to the Health and Safety at Work Act 2015.
- 2 All evidence presented in this unit standard must be in accordance with workplace procedures.
- 3 Definition
Workplace procedures refer to policies and procedures on safety and operation set down by the employer or host organisation and includes manufacturer's guidelines for use of equipment and materials.

Outcomes and performance criteria

Outcome 1

Run out, join and set up fence netting.

Performance criteria

- 1.1 Roll out netting along entire fence line without damage and in a controlled manner.
- 1.2 Join netting ends with no protrusions.
- 1.3 Prepare netting with wider wire spacings at the top of the fence, allowing unrestricted straining and adjustment before termination.
- 1.4 Position termination knots according to assembly type to avoid slack.

Outcome 2

Tension and terminate fence netting.

Performance criteria

- 2.1 Place netting clamps on netting against stay wire, and secure to prevent slip or wire damage.
- 2.2 Complete the pre-termination line check prior to final tensioning.
- 2.3 Tension netting with no vertical distortion.
- 2.4 Terminate line wires and retain tension when netting clamps are removed.

Outcome 3

Staple fence netting.

Performance criteria

- 3.1 Position the netting height according to fence design.
- 3.2 Skew staples with minimum wire clearance and maintain true staple loading to all primary and intermediate posts.
- 3.3 Maintain ground clearance in a uniform manner.
- 3.4 Staple wire to post without damage in accordance with post loading.
- 3.5 Identify netting section requiring alteration and achieve the required adjustment.

Planned review date	31 December 2025
