- 2 **Range**
The decked paddle craft can be a decked kayak, decked canoe or decked sea kayak. A decked paddle craft is designed to be fitted with a spray deck, or in the case of a canoe air bags.

- 3 **Assessment**
Assessment against this unit standard may take place in a pool facility, flat water, or a calm eddy.

4 Definitions

Current industry good practice means the range of actions currently accepted within the adventure and outdoor sector to manage the risk of harm to staff, participants, and others.

Flat water means flat or sheltered water, including estuaries, river deltas, sheltered beaches, lakes and coastal inlets and swimming pools, when wind strength and direction do not compromise the safety and purpose of the activity.

Reliably means three out of five rolls, capsizing left and right.
