-----------------------	---

Available grade	Achieved
------------------------	----------

Guidance Information

- 1 Legislation relevant to this unit standard includes but is not limited to – Hazardous Substances and New Organisms Act 1996, Health and Safety in Employment Act 1992, Resource Management Act 1991.
- 2 Definition
Organisational requirements – instructions to staff on policies and procedures which are documented in memo, electronic, or manual format and are available in the workplace.

Outcomes and performance criteria

Outcome 1

Demonstrate knowledge of product reception, storage, use, and markets for sheepskin fellmongery products.

Performance criteria

- 1.1 Raw products received by the fellmongery department are identified in terms of types, amounts, and sources.
- 1.2 The handling, storage, and processing methods are described for each type of raw product received.
- 1.3 End products are described in terms of their uses.

- 1.4 The main markets for each end-product are identified and described in terms of end-use and purchasing country.

Outcome 2

Demonstrate knowledge of fellmongery processing methods, machinery types, operation, capabilities, and monitoring requirements for sheepskin fellmongery products.

Performance criteria

- 2.1 The use of processing chemicals is described in terms of their effects on raw products.
- 2.2 Methods for handling each type of processing chemical are described in terms of organisational requirements.
- 2.3 Fellmongery machines, and their position and function in the fellmongery process are identified and described in terms of type.
- 2.4 The output capabilities of each machine are described in terms of the fellmongery process.
- 2.5 Operator responsibilities are identified and described in terms of monitoring and maintaining individual machines.
- 2.6 The procedures for handling machine malfunctions and breakdowns are described in terms of organisational requirements.

This unit standard is expiring. Assessment against the standard must take place by the last date for assessment set out below.

Status information and last date for assessment for superseded versions
