Guidance Information

- 1 Definition**

Industry procedures refer to all workplace requirements in operation in casinos. These may include, but are not limited to, relevant statutory and regulatory requirements, minimum operating standards, Gazetted Rules, licence conditions, and procedures described in training courses for the conduct of games, as approved by the Department of Internal Affairs or the Gambling Commission. Industry procedures may also include procedures specific to an enterprise involved in the casino gaming industry. These additional enterprise procedures may include quality assurance, documentation, security, communications, health and safety, and personal behaviour.
- 2** The Gambling Act 2003 is the main piece of legislation relevant to this unit standard, together with any associated legislation and/or regulations, including but not limited to the Anti-Money Laundering and Countering Financing of Terrorism Amendment Act 2017, and their subsequent amendments.
- 3** Recommended for entry: Unit 9878, *Operate the game of roulette*.
